Ittonia, an island at the northernmost of the north sea experiencing great history, and culture

From the Prussian colonization era to the discovery of Haeven (Now dying) This nation developed itself and doesn't hesitate continuing! Now, we're trying to do our best in this great world. (Even though it doesn't always work out, LOL)

Scot-centric parliamentary republic built in the ruins of the British Parliament after the Scottish broke away from the UK and then conquered England, forcing the Royals and what remained of the MPs to flee to Northern Ireland and establish a government-in-exile in Belfast.
