The suffix -ing, in this alternate English, when attached to a verb, makes it into a noun. So, to "befolk", or to populate, becomes "befolking", or "population". Conlanging's always fun. If only I was better at it...

If you live in Hardhaus and need to get to Arton, you can't use the train, as even though the two cities are incredibly close to each other they have no connecting railways. In fact, Hardhaus only has a military rail line serving it.

The Jamesian Republic is basically America in the 1950's-1960's except, somehow, there is a huge amount of equality for the time period.

The Revenants make use of a number of weapons that make them feel more like Landsknechts than a modern PMC. That's a neat aesthetic choice, though I was hoping for M16-wielding vampires, not gonna lie.
