Say what country exists, what country collapses, which countries declare war but I decide who wins a war

Also no one can control a country, its third person

Example:

Randomnation: make prussia

Me: *shows image of prussia on world map

Randomnation: make korea

Randomnation 2: make byzantine and make prussia expand east

Me: *makes byzantine and korea while expanding prussia

Randomnation: make greece

Me: *greece wins war of independence from byzantine

Rember

Randomnation: make sustopia

Me: wheres sustopia

Randomnation: brazil

Me: *puts sustopia in brazil

The Northern Union is only a puppet of the Independent Catalan State, which still exists controlling Catalonia. Greenland is ceded to the Northern Union, which only controls Baffin island.

The capuchin chitters a bit, and its A.I translator states that in exchange for the capuchin's military and technological support for the Emus' war in Nauru, they would like a small island on which to live, preferably with banana trees.
