The Pogues - *Fiesta*

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

Perfection.

We are free to believe that this is the century of authority, a century tending to the right, a Fascist century. If the XIXth century was the century of the individual (liberalism implies individualism) we are free to believe that this is the "collective" century, and therefore the century of the State.

Cascada - San Francisco

Ederea is an empire spanning one continent and a portion of another continent (a la French Guiana or 13 Colonies). Its main races are humans, elves, vampires and dwarves, but other races include centaurs, harpies, mermaids,

incubi/succubi and orcs. Its homeland is named Veriga.
