Renato Carosone - Tu Vuò Fa' L'Americano

The dead swans lay in the stagnant pool.  
They lay. They rotted. They turned  
Around occasionally.  
Bits of flesh dropped off them from  
Time to time.  
And sank into the pool's mire.  
They also smelt a great deal.

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.

--S. Huntington

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.
