Good song mate.

Third Eye Blind - *Semi-Charmed Life*

Such a good song. 90's rock is so good.

Meh. 90's rock is good, I suppose.

Daughtry - *Crawling Back to You*

Meh? Well, that's your opinion. Remember, the nineties brought us Nickelback.

Daughtry's pretty good as well.

Bleeker Ridge - *Small Town Dead*

I used to like Nickelback fanatically, but I'm not super into them anymore.

Their new album is coming out on November 8th. Apparently one of the songs will be featuring FloRida and will have a horn section... I'm inexplicably excited to hear that song.

Green Day - *Homecoming*

Their early sound was considered grunge, and most of their subsequent albums were considered post-grunge. I think their beginning to shed that label though.
