The Fate of Monkey 3606:

There once was a Monkey from Bengal,
Who went to a fancy dress ball,
He said he would risk it,
And went as a biscuit,
But a dog ate him up in the hall!

When Monkey Three Six Zero Five
Decided to take a sky-dive,
He neglected to bring
His parachute string
And now he's no longer alive.

Poor Monkey Three Six Oh Four,
While he visited Bangalore,
Was cornered and grabbed,
Beaten and stabbed,
And now he is alive no more.

Well, Monkey Three-Six-Oh-Two
Tried to swim through some goo
But the goo was quite hot
And like a frog in a pot
Poor 3602 was made into stew

A Monkey named Three-Five-Nine-Nine
Thought poetry was really fine.
He wanted a sonnet
And started work on it
But wound up instead with a quine.

Monkey 3598 thought he was cool
But he was as boring as a stool
In response to that
He gunned down a whole middle school with a MG42 before being shot to death
by a S.W.A.T team
His reason? Crack deal gone wrong

Monkey 3596's poetry was burned so hard it caught fire. After seeing his life's work go up in flames, he decided life wasn't worth living anymore.

Monkey 3594 witnessed a similar poetry fire, and dug into the fire to salvage whatever he could. The fire immolated him and he died soon afterwards.

Monkey 3591 attempted to attack the shooter of '92, but the magazine still had rounds in it. His nickname on his gravestone is Harambe.

Monkey 3589 was Alastair's fourth cousin by marriage and a childhood friend. He thought he could speak out against the Party and be safe. A chloroform rag over his nose and a cold steel barrel against his temples told him he was wrong.

I found 3589's death hilarious. I am nowhere near mad or anything; I'm sorry if that's how it seemed.
