Legendary by Skillet

Hey, I exist (*occasionally*). I usually stick to the game (trading cards, answering issues, etc) but in the rare* occasion I feel like making a post, I'll be here. I also have tendencies to howl at the moon and can sniff out 'fendas from up to 30 miles away.

Any complaints? Discord: humanish3411 - Telegram for other socials

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.
