Monkey 1905 was proud of his sexuality... in Yemen.

(Remember me, guys? Liebindeland? No? You- you don't? Oh. Yeah, alright, that's fair.)

Liebindeland is on a small island off the western Portuguese coast. NS stats are canon unless anything stated elsewhere contradicts them. Thank you to -Astoria- for helping with the code I used on the daily news thingamajigger.

1903 tried flying a plane and died upon impact

Shinjou declares it's now a people's 4th reich. The navy reports strange sights in the sea, possibly eisterian vessels. a new terrorist movement has been terrorising southern paxana and other smaller countries. The LNS callhiem has been ordered to attack any vessels coming into libertalonia waters

Why yes, we are infact a free democratic nation that tries to protect others and have more flaws than united st- can we just please have your Oil and gold already?

Monkey 1901 was an extreme British patriot who took his own life after Queen Victoria died.

Imperial States of Duotona
When good beats evil, the sky's the limit.

Welcome to Duotona, the rushed nation concept that was made by someone with no understanding of politics! A mixture of many Asian, Polynesian and French cultures (no wonder the English haven't touched us yet), the skies are blue, the government is messier than Einstein's desk and the bees arrive in plenty.

Monkey 1896 tried reversing the 89 part of his name and was instantly eradicated due to the newly installed NSSTAES brand MRP machine, which picked up monkey 1896's shenanigan's as monkey 1986 reviving himself from the grave. Needless to say, that machine doesn't have the best detection sensors.
