I definitely enjoyed the Mazzy Star album I listened to. Into Dust is still a favorite of mine, which I heard a while ago, including the [cover of it by Ashtar Command](#) which I heard first.

You know, you only need to mention what you are listening to right now. Unless you are listening to 3 songs at once ☐

Nice cover. Makes me want to listen to more of them, generally. I first heard Mazzy Star in a film, can't remember what it was called though.

I listened to those songs one after another. I just thought they were all worth mentioning, but I guess it's kind of unfair. Now listening to 2 Blonde Braids by Mount Eerie (<http://www.youtube.com/watch?v=5UOOS37BLN0>)

I don't really know

I mean, the music's fantastic, but the video is very surreal. I'm enjoying it

I'm actually someone who highly enjoys weird, twisted, bizarre, unusual, emotional, surreal, artistic videos, movies, video games, music videos, and so on, so maybe I'd enjoy it.

Example, the new [The Dillinger Escape Plan](#) music video is pretty messed up.
