Awfully specific there.

I will admit that “Pacomia” was inspired by the name Tacoma but I do not live there.

here... nothing valued is here. What is here was dangerous and repulsive to us. The danger is in a particular location... it increases towards a center... the center of danger is here... of a particular size and shape, and below us. The danger is still present, in your time, as it was in ours. The danger is to the body, and it can kill. The form of the danger is an emanation of energy. The danger is unleashed only if you substantially disturb this place physically. This place is best shunned and left uninhabited.

Welcome to The Alpes a Septentrionali Imperium, a nation where I brutalize and adapt Latin and French History to my needs to get my Ultraroyalist Absolutist French Monarchy with a vaguely French-sounding fictional royal family to work.

Don't ask about the flag, it has something to do with RMB RP that I'm involved with.

Soon the sun will set- is that prophecy? No, it's merely an assertion of faith in the consistency of events.

Remember this Earth. Never forget her, but — never come back. If you come back, you might meet the Archangel at the east end of Earth, guarding her passes with a sword of flame. Space is your home hereafter. It's a lonelier desert than ours.

By the ~~anarchist~~-neoliberal spirit I mean that deeply human sentiment, which aims at the good of all, freedom and justice for all, solidarity and love among the people;
