With the guided effort of Anya Makarov and the fog we will choke out the heretics and usher in a new age of Petrolian unity! Hail Anya Makarov! Hail the chemicals! Hail Petroli!

Factbooks and dispatches (which are works in progress) are the primary source of information for my nation. I try to have my stats match my idea of my nation but I think policies are the stat I can control the most.

I don't dislike anyone here. Agree or disagree, we're all compadres. :-)
