"that nation would probably be violent" (looks at cosnicu's pacisivism score)
"that nation is right wing" (looks at Cosnicu's form of governance)
"that nation looks like its straight out of a comic book" (Olkay. this one is technically right, but i didnt recognize it at first)
"that nation is a corrupt dictatorship" (looks at Cosnicu's political freedom and integrity scores)
"that nation is scientifically advanced" (finally)

My nation - which is pretty much just a unified Korea with some extra territory - represents my real views, as does pretty much anything I say on the forums. NS stats only broadly representative. Feel free to call me Q&K, Quartia, or any other nickname.
