#### Steprianka wrote:

Despite being a socialist state, this federation of 9 states does give the people a degree of political freedom

"Steprianka has long had an absolutist tradition. From the 5th to the 18th century, Steprianka was ruled by three different dynasties (Freinko, Valor, Sarirka) of absolute monarchs. The nobility supported the king or queen in

power in exchange for privileges and commanded the king's private military and police force (split from the army in the 15th century). In the 9th and the 14th century, monarchs Rartin IV (Freinko dynasty) and Maia I (Valor dynasty) died respectively with no clear heir to the throne. The impasses were resolved after brief power struggles among the ruling elite. The military suppressed a riot in the 14th century related to the succession of queen Maia I."

Very interesting

First off, Queen Caroline's portrait aged a lot since the last time I saw it.

Secondly, Caroline married Guillermo (later William) of Spain, the son of Infante Juan the Count of Barcelona and Princess Maria of Bourbon-Two Sicilies, in 1965 at the Milan Cathedral.

We have a small presence in the American continent because of the US and Canada being global superpowers and establishing themselves as the "protectors of the west" (more so US than Canada though), and Europa (Germany) being a recent addition to our Union after the collapse of a Neo-Fascist government.

We also don't want to start WWIV...//skip//

The terrorist Attacks that new Makasta blames me for are false. I would never do such a thing. Even if the radicals are calling themselves the Legions own is entirely a coincidence. What if their a group of people who want to install a better government in New Makasta, and install something like mine. Oh by the way Makasta if you find their guns and it says made in the legion of mankind. **THEY STOLE THEM.** If you continue to blame me I will have no choice but to go to stage 2.

You know what? I'm convinced. You did nothing wrong, it's all a coincidence.

AN:

A single person, called the moderator and elected by the representatives of all the sectors, has the role of tiebreaker, providing the decisive vote on any legislation in favour of or against which enough votes have not been obtained. Elections are held one month after representatives elections, and office is assumed by the elected moderator on the same day as it is assumed by representatives. As in the case of representatives, a moderator can be reelected an unlimited number of times.

The moderator is considered the head of state for purposes for which a single person must act as such (including public appearances), but in reality the representatives hold much more power.
