Jhené Aiko - It's Cool

Really disappointed that this album is more pop friendly than the EP she released.

But so far this album is much better than the EP: much more polished, significantly superior production, amazing lyrics, and isn't stuffed with too many features. I like it.

Jhené Aiko – Pretty Bird (Freestyle)

9.3/10. Despite it being more pop friendly, it was still a solid album. The quality of the production, lyrics, and her unique voice saved it.
