Federal Republic

Partially inspired by the Third Odyssey mod for EU4, this nation is essentially a Byzantine successor state in South America that has fused together Ancient Greek Religion with Greek Orthodox Christianity. It mixes the aesthetic of Byzantium and Ancient Greece, with very open and liberal social values but with an Imperial Monarchy. NS stats are referenced but are not strictly followed to a T.

Constitutional Monarchy.

**All Praise Our Great Leader The Giant Rubber Duck!**

RubbaDucky, land of freedom, justice, and duckies

NS Stats currently used for basic reference. Don't take it too seriously.

What if the entire planet was plagued of millions of giant, living and undestructible rubber ducks? The answer is RubbaDucky!

When you visit RubbaDucky. NEVER FEED THE DUCKS WITH BREAD. DUCKS HATE BREAD. And remember Rubber ducks in RubbaDucky ARE LIVING CREATURES, like regular ducks.

verbal rocks at these mediocracies."

Apologies if my posts seem odd. This nation exists as a challenge for me to only post using Hamilton lyrics, which can be rather difficult.

I am not throwing away my shot!
