All hopes of unification are now lost. We are ready to completely destroy Transselania.

I reserve the right to /stillme anyone who uses stats or policies to judge me, anyone known to defame me (you know who you are), and anyone who likens my flag to "free Russia".

Bactrian Exclusion Act will be in effect as of the First of April, deporting half a million illegal aliens to Bactria

I'm not pro-immigration or anti-immigration, but deporting half a million illegal immigrants back to their land seems a bit harsh, no? Besides it might cause chaos and riots in both infidel Iran and ~~pathogen~~ Bactria. Calling them 'aliens' seem quite rude as well, but ah well, in the end, it's the news reporter's choice of choosing words.
