Hey! Nice to see you return to the forum. I remember running into on the early days of the forum, when Hobbes was an active poster and all that.

An alt-history South America where 7 Brazilian states and sections of Suriname, Venezuela and Guyana separate to form their own country after the Bolsonaro regime nearly burns down the Amazon.

If I'm honest I would vote for the National Congress for Prosperity, but it's an offshot party and wouldn't get much votes, so I would vote for the Conservative Party.

The Kingdom of Hanover and Hamburg - Der Nordosten ist zusammen stärker.

A quaint little nation that can't get any laws passed because it's bicameral congress' members all hate each other and are cynics.

Well, I read their ideologies, but not any further information. I-I don't understand. There is nothing about eco-socialism or green politics that spouts extremism. *sigh*.

I'm a centrist/moderate libright, so the minarchism of the Prosperity Party is too extreme for me. I'd have to go for the Unity and Progress Party.

BN: If you choose a party with factions (i.e. Liberal, SDP, or National), perhaps also say what faction you would most align with/vote for.

If men were angels, no government would be necessary. If angels were to govern men, neither external nor internal controls on government would be necessary. In framing a government which is to be administered by men over men, the great difficulty lies in this: you must first enable the government to control the governed; and the next place, oblige it to control itself.

It's not their ideology that makes them extremists, but the politicians in the party who are the extremists, pushing the ideology to it's limit. They also mainly get their sources from far-left "studies".

Gauche Québécoise and Socialistes Nationalistes tied.

I agree with far more of the latter's positions but I find that advertising UBI as an alternative to social welfare is a dangerous slippery slope to austerity and ends up with me leaning to the former. Also an extremely convenient subsidy for landlords.
