We used to have corn

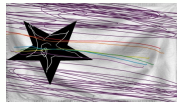

I used to rule the corn, feel the fear in my enemie's husks
But, in the morning I farm alone, plow the fields I used to own
I used to eat the cob, but now the plants are closed on me
And then I realized that my plants stand on pillars of dirt near bamboo logs

I hear John Deere Tractor's ringing
Tomato Basil Plants are singing

I have TCB obsession. I am very pro communist, but my constant
posting about TCB on TRR services is getting..... to put it lightly..... in
the way of community respect

/skipme.

TCB is a region by the way, not to be confused with the eastern
bloc.
