[Factbook](#)

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Jesus is Lord!

Libertas in Lumine Christi is a infant nation, only 10 years old, that is largely rural and sparsely populated.

This nation is a continuous living work in progress.
