Bungee Jumping: 1.8%

Kazakhstani tribes, migrate, Russia, sail, island, take, warlords, British, Dutch, revolution, yay, mining...uhh...WWI, WWII, Cold War..President McLemon. That's our history mostly. We are very W A C K Y so everything is weird in our nation.

Nude art is becoming wildly popular, the government is giving peace a chance, Prime Minister Mayweather's peyote-induced "let's all just be friends" speech is trending world-wide, and the government is spending millions on renovating the public transportation system. Crime is totally unknown. Karamiko's national animal is the king penguin, which frolics freely in the nation's sparkling oceans.

So, high politicians, and a horny populace? Interesting...
