Judgmental

**New Hidalgo** is an independent state set in the late-19th to early-20th century, located in what would be the American southwest and northern Mexico. Yes there are cowboys.

The flag is a blue background with the national symbol: A single star that represents all of New Hidalgo is encompassed by a wreath of wheat and cotton, below is the Rocky Mountains and a Bible.

Just looks like Ellis Island and some of the NYC skyline, at night, to be honest. No further interpretation; there's nothing in the image to suggest it is anything more than that.
