Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Sometimes I can gauge what type of band/artist it is from the name, but not in this case.

Kylesa-Unspoken

German, mostly rap with some electro thrown in. Surprisingly enjoyable.

257ers - Kaputt
More of the same.
