nah...

Etwepe cookies are done!

nuclear War has consumed the Once holy Lands of Russk, The Government reduced to ashes with trace amounts of our church hidden in forts and underground bunkers deep in the tundra, while on the Surface warlords and militias struggle for survival, Food and comfort are a luxury enjoyed by next to none. While in the bunkers that our generals and clergy retreated to when the bombs fell, nothing but schism and starvation await. Will our Holy Regime live on in this Post-Nuclear nightmare?

The "lib" part of the word makes me mad.

Speaking of libs. I know no particular nations, so let's just say that BN will be another lib. Plain and simple.

You're damn right I did, I love Project Mirai 2 and Project DIVA X to death. Even if Holy Lance Explosion Boy is in the latter.

**Quel est la réalité? Mon souffle, tellement mécanique!**

A grey rain falls on Revachol. The city soaks in it, cold and dripping. Waves hit the concrete breakers. The homeless huddle by the fires behind the fences. There, among the shacks, is your home. Stay. Have a drink. This is somewhere to be. This is all you have, but it's still something. Streets and sodium lights. The sky, the world. You're still alive.

Hello there. I'm **Simonia**, your average leporine TG-loving F7er. Our nation has twenty-one provinces, four regions, and four capitals. And before you ask, Pink Castle City is called that for its pink castle, Pink Castle City's main building.

Sup Russk. You can find your home either down in Spokane or down in Ritzville. Whichever one you'd like is your choice. No free crucifixes for demons though.
