Billy Joel - Allentown

*Well we're waiting here in Allentown
For the Pennsylvania we never found
For the promises our teachers gave
If we worked hard
If we behaved
So the graduations hang on the wall
But they never really helped us at all
No they never taught us what was real
Iron and coke
And chromium steel
And we're waiting here in Allentown*

*But they've taken all the coal from the ground
And the union people crawled away*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Billy Joel - Honesty
From *52nd Street* (1978)

*If you search for tenderness
It isn't hard to find
You can have the love you need to live
But if you look for truthfulness
You might just as well be blind
It always seems to be so hard to give*

*Honesty is such a lonely word
Everyone is so untrue
Honesty is hardly ever heard
And mostly what I need from you*

Attila - Brain Invasion
From *Attila* (1970)

Instrumental

Attila was a hard rock/heavy metal group of which Billy Joel was a member before he started his solo career. The band's music was - and still is - panned, and Joel himself has called their first (and only) album "psychedelic bullshit".

Led Zeppelin - Fool in the Rain
From *In Through the Out Door* (1979)

*Now I will stand in the rain on the corner
I'll watch the people go shuffling downtown
Another ten minutes no longer
And then I'm turning around*

*The clock on the wall's moving slower
My heart it sinks to the ground
And the storm that I thought would blow over
Clouds the light of the love that I found*

R.E.M. - Everybody Hurts
From *Automatic for the People* (1992)

*Sometimes everything is wrong
Now it's time to sing along
When your day is night alone (Hold on, hold on)
If you feel like letting go (Hold on)
If you think you've had too much
Of this life, well hang on*

Ed Sheeran - Photograph
From x (2014)

*We keep this love in a photograph
We made these memories for ourselves
Where our eyes are never closing
Hearts are never broken
And time's forever frozen still*

*So you can keep me
Inside the pocket of your ripped jeans
Holding me closer 'til our eyes meet
You won't ever be alone, wait for me to come home*

Frank Sinatra - Fly Me to the Moon
From *It Might as Well Be Swing* (1964)

*Fly me to the moon
Let me play among the stars
Let me see what spring is like
On a-Jupiter and Mars
In other words, hold my hand
In other words, baby, kiss me*

*Fill my heart with song
And let me sing for ever more
You are all I long for
All I worship and adore
In other words, please be true
In other words, I love you*

Pink Floyd - Comfortably Numb
From *The Wall* (1979)

*Hello,
Is there anybody in there?
Just nod if you can hear me
Is there anyone at home?*

*Come on now
I hear you're feeling down
Well, I can ease your pain
And get you on your feet again*

*Relax
I'll need some information first
Just the basic facts
Can you show me where it hurts?*

Paul McCartney - Somedays
From *Flaming Pie* (1997)

*Sometimes I laugh
I laugh to think how young we were
Sometimes it's hard
It's hard to know which way to turn*

*Don't ask me where I found that picture on the wall
How much it cost or what it's worth
Sometimes I laugh
I laugh to think how young we were*

*We don't need anybody else
To tell us what is real
Inside each one of us is love
And we know how it feels*

The Kinks - Waterloo Sunset
From *Something Else* by The Kinks (1967)

*Dirty old river, must you keep rolling, flowing into the night
People so busy, make me feel dizzy, taxi light shines so bright
But I don't, need no friends
As long as I gaze on Waterloo sunset, I am in paradise*
