Unbeknownst to Kamen Rider, Kamen Rider eats ramen in the presence of one of the Four Ramen Kings of Toyko, Saburo Odajima. Odajima is impressed by Kamen Rider's ability to eat ramen.

Tutto è possibile, Entro i nostri limiti

In Italian it means

Anything is possible, within our limitations

Or at least i hope that's what it means since these days you can't trust google translate. For all I know I could be saying "Your mother was a hamster and your father smelt of elderberries!" PS: If you get that reference then you are very cultured.
