[tutto è possibile](#), [Entro i limiti umani](#)

In Italian it means
Anything is possible, within our limitations
Or at least i hope that's what it means since these days you can't trust google
translate. For all I know I could be saying "Your mother was a hamster and your
father smelt of elderberries!" PS: If you get that reference then you are very
cultured.

A palace on a private island where the government and the government's friends go to have drinks and relax after a grueling week.

Factbooks and dispatches (which are works in progress) are the primary source of information for my nation. I try to have my stats match my idea of my nation but I think policies are the stat I can control the most.

I don't dislike anyone here. Agree or disagree, we're all compadres. :-)
