10°

Ain't so bad, both in hindsight and in general. Totals up to about 50°F, which if weather conditions are alright, which judging by the emoji you used to symbolize the weather for that day, it might be somewhere between "bro it ain't even cold quit whining" and "jesus fuck I can't feel my feet". That is, if the wind doesn't come in like the bitch ass motherfucker it can be.

It's either für den Kaiser (accusative masculine) or für die Kaiser (accusative plural). Für das Kaiser doesn't make sense.
