I amstarting to hate NSStats

Lie and say that they tried to kill you and stage a coup to form a theocratic socialist (or capitalist, whichever it is) republic with no rights for everyone, and gain the support of the senate with your force powers, but this was all apart of your plan to bring back the Sith.

"Gotta be some Disneyland style utopia for either people and dogs or... anthropomorphic animals."

I mean I think anthromorphic animals would be more insulted by our pale human imitations of them, with cheap suits with creepy 30-year-olds inside them probably not being what Mickey Mouse wants people to think of him.
