Joe Bonamassa - *Stop*

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

Justice - Phantom Pt. I/Pt. II

Imperial States of Duotona

Duotona is a nation nestled in the Pacific Ocean. Marked by the scars of its bloody past, the people of Duotona persist and have given the nation a voice from which it preaches the word of peace and democracy across the globe!

Nation reflects OOC views. NS stats are sent to the shadow realm.

"Freedom is the right to question and change the established war of doing things. It is the right to put forth an idea, scoffed at by experts, and watch it catch fire among the people. It is the right to dream-to follow your dream and conscience, even if you're only one in a sea of doubters."
