Then, War Man is shot in the left, making him not fine. Due to the massive blood loss that happened as a result of his injuries, he dies a sad death.

He is mourned in the Penguin Kingdom.

Edit: Forgot to say new man, oopsie.

Miku, Meiko, and Man 1 all show up to help fight [Treciene user], who, in the current circumstances, has allied with [Abkhaz user]! Turns out the boss wasn't the end. In order to fully break control, [Treciene user] must be defeated.

A Class 1.8 Civilization according to [this index](#)

However, [Wormfodder Delivery user] takes control of Miku and uses her as an avatar to fight against Man, Meiko and Man 1, before unveiling that they are all puppets from those beings. Man does a backflip after being told to.
