The Sugarcubes-Motorcrash

I don't expect to like this whole band. They're...interesting, but not really something I can get into except some songs.

Voltaire-Crusade

The Dragon fell upon the ground, 'twas then I hear a whimpering sound. A dragonling to his father clung, who only fought to protect his young~

I just clicked on a random song to see what they were like...pretty strange

And only one out of 9 albums?

The Sugarcubes-Mama

I think this band would be better without the male vocalist. Bjork is of course good.

Though the male vocalist works for this song...

Edit: Not this song, the previous song...
