Black Sabbath - Paranoid

The whole album.

In other words — and this is the rock solid principle on which the whole of the Corporation's Galaxy-wide success is founded — their fundamental design flaws

are completely hidden by their superficial design flaws.

Tempting Time, Animals As Leaders.

second listen, hope it sounds more like good music and less like wank

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.
