"People don't want to be rich, people want to be richer than other"

There was a study once, where people were asked if they would accept a significant pay increase if it meant that their neighbor(?) would receive a larger pay increase. A disturbing percentage of people said no. Lots of people are willing to hurt themselves just to see others suffer.

I keep saying that humans are super shitty, but man...

COGITO ERGO REGO

Just a network of arcologies governed by a sapient supercomputer, dedicated to preventing humanity from destroying itself.
