Well no one has ever met them before so not known at all. In all serious not terribly well known since their account is only a few months old and doesn't have too many posts.

Just your friendly space social theocracy of kobolds worshiping giant space dragons.

Are NS stats canon? **NO**

Class 0.5 nation according to this index.

Saw 'em multiple times before. So yeah, very well known.

The Empire of Tantria

Strength and unity, under the glorious banner of the Empire.

All data in NS Index is considered non-cannon, please forward to factbook for accurate information regarding Tantria.

Can't say I've ever seen 'em before. They only started posting within the past week, so relatively unknown.

Not much known

Factbooks and dispatches (which are works in progress) are the primary source of information for my nation. I try to have my stats match my idea of my nation but I think policies are the stat I can control the most.

I don't dislike anyone here. Agree or disagree, we're all compadres. :-)

They're intensely well-known, practically a medium-scale NS celebrity at this point. They're recognized for their incredibly well-made factbooks, their interesting and unique threads of 'indexes' that categorize basically everything and above all being a stand-up NS user who's generally friendly, a real pal and a pleasure to write posts like these about.

"We won't be taxing, bureaucratic hypocrites forever!"

We're fighting a costly, not at all drawn-out war against the Roman cosplaying enslaving scumbags known as Caligulas Legion! Suck it and die from your 'headaches', you bald b*stard.

Are you aggressively coked-out? Do you join regions for no reason? Do you like copious amounts of drugs, eating Mexican food from taco trucks and the searing hot desert sun? Join Calexico and Mexicali then, moron.

Do you too wish to patrol the Senora, almost making you wish for a nuclear winter? If so, consider joining our Embassy Program

They are definitely known on F-7 and from their short amount of time here they have made quite of a name for themselves. They have a really good and kind of quirky sense of humor but in a good way. They are also known for being a friendly user not really causing any trouble on this site and just being a very pleasant person to interact with. Someone I would consider a friend.
