After Forever, Black Sabbath.

pretty much just christian rock.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

"Savages" from Disney's Pocahontas. Wondering how we went from a company with songs that describe such a frightening aspect of human nature, to... yeah.
