An ancient, secretive matriarchy in Persia before the arrival of Islam. Benevolently ruled over by a strangely European-looking royal family.

The Federation of Greater Rostoria is a Medium sized nation with a powerful military, strong economy, and big influence all over the world. NS stats are not canon. The nation has a lot of Germanic influence but also some Slavic and Prussian ones. The nation is overly patriotic and has a big industry in oil, gas, automobiles, and military equipment.
