I like the song in your sig. Both halves of it are really good (and catchy).

Oysters- Tori Amos

*So can these shoes take me to  
Who I was before?  
I was stabbing my sticks into  
A vulnerable earth  
And I can almost out run you  
And those stalking memories  
Did I somehow become you  
Without realizing?  
Found a little patch of heaven now  
So then I'm gonna turn oysters in the sand  
'Cause I'm working my way back  
I'm working my way back to me again  
Not every girl is a pearl  
With these ruby slippers  
With these ruby slippers  
So then I'm gonna turn oysters in the sand  
In the sand  
Turn  
Turn  
Turn!*
