Anarcho-primitivist commune

The Dominion of Upper Nan: a technologically-advanced technocratic, national-syndicalist state where the people are mostly left to their own devices and given generous benefits so long as they obey the (numerous) laws and don't get any clever ideas about challenging the State's authority or bringing back democracy.

Largely inspired by *Judge Dredd*, Plato's *Republic*, and the political philosophies of Juan Perón and (to a lesser extent) António de Oliveira Salazar.

Paternal Autocrat.

Pray for Ukraine and Moldova.
Stalinist propaganda and other such ideologies should be banned.
Remember the Massacres at Huế, Thanh Mỹ, Đức Dục, and the Shelling of Highway 1.
