Yikes.

**I am not a pirate nation. I am like any other war torn African country.  
The pirate flag is there cause it's Somalian.**

The name of my nation literally means 'Corrupt land' in Somalian language.  
The nation is legally a part of Somalia in all but name and in a state of complete anarchy .

Currently there exists a 4 way struggle for control of this land and its **piracy, slavery, arms and drug trade** between a Rouge Somalian politician, a typical Pirate warlord, an extremely cruel, corrupt Portuguese UN peacekeeper general and the descendent of the Pre Colonial king of the land who has returned from his mansion in Paris to spread mayhem.

Many bored manly men from well off countries come here to live a life of excitement and unleash their testosterone by becoming a mercenary in our civil war.
