No. I really should reiterate this.

Sevastopol is not independent, it is currently under jurisdiction of both Russia and ukraine.

Memes, the DNA of the soul

They shape our will. They are the culture. They are everything we pass on. Expose someone to anger long enough, they will learn to hate. They become a carrier. Envy, greed, despair: all memes, all passed on. You can't fight nature, Jack. Wind blows, rain falls, and the strong prey upon the weak. Sam tells me you see your weapon as a "tool": something that saves lives, a means of justice. Now, there's a pretty meme! Exquisite! It spared you the burden of all the lives you've taken, absolved you of guilt when you enjoyed it. That is, until the illusion was broken. Don't be ashamed. It's only nature running its course. You have no choices to make. Nothing to answer for. You can die with a clear conscience.
