Literally Who?

I've never heard of them, so I'll say that they aren't known barely at all.

Although I did get Ninja'd, I can say the same about AN as I could about AAN.

I'm really glad to see all these new nations on here, many of those I used to know are gone. Just love seeing the new ones carrying the legacy my group of foundings had.

Extremely well known across many forums including General and F7

Ah, yes. I know **British Arzelentaxmacone** very well indeed, and it seems many others do as well. I will guess that they are an 8.5/10 on the Zeitgeist Domination Scale™.

From the Minister of Foreign Affairs of the Marineri Islands:
The central emblem on the **Marineri Islands** flag represents a **penu**, a traditional carved rock or coral tool common across the Austral Islands (irl part of French Polynesia) which is used to crush food, similar to a pestle.

It is not a dress.

Pretty new, not a lot of posts; I'd wager xey're not very known.

Also, it takes guts for one to use neopronouns online - they're prone to being attacked by stupid people. Keep it up.
