Tyler, the creator - yonkers
They say success is the best revenge
So I beat DeShay up with the stack of magazines I'm in
Oh, not again, another critic writin' report
I'm stabbin' any bloggin' f***** hipster with a Pitchfork
Still suicidal? I am
I'm Wolf, Tyler put this f*ckin' knife in my hand
I'm Wolf, Ace gon' put that f*ckin' hole in my head
And I'm Wolf, that was me who shoved a **** in your b****
(What the f*ck, man?) F*ck the fame and all the hype, G
I just wanna know if my father would ever like me
But I don't give a f*ck so he's probably just like me
A muthaf*ckin' Goblin
(F*ck everythin', man) That's what my conscience said
Then it bunny hopped off my shoulder, now my conscience dead
Now the only guidance that I had is splattered on cement
Actions speak louder than words, let me try this sh*t, dead

eminem and D12 - one shot two shot

One shot two shot three shots four shots
All I hear is gunshots
This is where the fun stops
Bodies drop, hit the floor,
Music's off, party stops,
Everybody hit the door,
Somebody's licking shots off

All that remains is to show that biological systems replicate in such a way as to satisfy the minimal criteria required for evolution to apply to them, something which has already been adequately shown time and again. At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.

Billy Joel - The River of Dreams
From *River of Dreams* (1993)

*In the middle of the night
I go walking in my sleep
From the mountains of faith
To a river so deep
I must be looking for something
Something sacred I lost
But the river is wide
And it's too hard to cross*

*And even though I know the river is wide
I walk down every evening and I stand on the shore
And try to cross to the opposite side
So I can finally find out what I've been looking for*

[Factbook](#)

*Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.
