oh god why does this exist

We are free to believe that this is the century of authority, a century tending to the right, a Fascist century. If the XIXth century was the century of the individual (liberalism implies individualism) we are free to believe that this is the "collective" century, and therefore the century of the State.

The Liamese Empire is a Conservative, Imperialist, Celtic nation with a large Christian population.

P.S. The symbol on my flag is not the triforce, It is supposed to be a symbol of the trinity, the star in the middle represents the Empire.
