Just listened to Tez Cadey - Seve. I'm interesting in finding more stuff like it. Any suggestions?

"For the glory of our people, we govern our nation freely. For the glory of Polynesia, we help and strengthen our friends. For the glory of the earth, we do not destroy what it has bestowed upon us."

Fall Out Boys - Centuries

Not my favourite band or song but it's not bad if you're just wanting to listen to something new.

That album (American Beauty/American Psycho) is fantastic.  
I was really surprised when I listened to it.

**Carach Angren - "La malédiction de la dame blanche"**

Symphonic Black Metal from their album "Lammendam" (2008)

I just finished their discography today and I have to say it is so hard to judge which album is their best... Virtually a 3-way tie for 1st place. ☐

Laibach - *Das Spiel Ist Aus*

“ CVT Temp [wrote](#):

I mean, we can actually create a mathematical definition for evolution in terms of the evolutionary algorithm and then write code to deal with abstract instances of evolution, which basically equates to mathematical proof that evolution works. All that remains is to show that biological systems replicate in such a way as to satisfy the minimal criteria required for evolution to apply to them, something which has already been adequately shown time and again. At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.

Blur - Coffee & TV

From 13 (1999)

*Do you feel like a chain store*

*Practically floored*

*One of many zeros*

*Kicked around, bored?*

*Your ears are full but you're empty*

*Holding out your heart*

*To people who never really*

*Care how you are*

*So, give me coffee and TV, history*

*I've seen so much*

*I'm goin' blind*

*And I'm brain-dead virtually*

### The Rolling Stones - Angie

From *Goats Head Soup* (1973)

*Angie, Angie  
When will those dark clouds disappear?  
Angie, Angie  
Where will it lead us from here?  
With no lovin' in our souls and no money in our coats  
You can't say we're satisfied  
But Angie, Angie  
You can't say we never tried*

### Bob Dylan - Blowin' in the Wind

From *The Freewheelin' Bob Dylan* (1963)

*How many years can a mountain exist  
Before it's washed to the sea?  
Yes, 'n' how many years can some people exist  
Before they're allowed to be free?  
Yes, 'n' how many times can a man turn his head  
Pretending he just doesn't see?*

*The answer, my friend, is blowin' in the wind  
The answer is blowin' in the wind*
