Sorry, not party fact book for the AN, will do it for AAN instead.

Social Democratic or Justice Party. I would also maybe vote Green if they dropped the Anarcho-Primitivist and Anti-globalist ideologies.

Social Democratic Party

QUOTE

This country does not follow my beliefs, but rather something I would find interesting.  
Political Compass: -5.75, -4.87  
Prorescia is a tourist friendly nation that has some of the most beautiful forests in the world. It controls a small part of current day Brazil about the size of French Guiana and is largely rural because of that with only 3 major cities, Santo Tablo, Pacifil, and Consanto Praia. The Government is Democratic and led by a Council who make most decisions. However, 5 democratically elected representatives can at any time call for a lack of faith vote which would impeach a current council member. The lack of faith vote is voted on by the populace which number in the thousands.

I guess the Vengeance Party, because they said it was for conservative-minded people, but it's not very clear.
