Very, very well known. Especially in F7 (and for all good reasons.) - They're a kind user, and we actually just had a very nice chat. They're polite, and respectful, and I would say they have a great reputation as well.

Pretty darn well-known, almost everyone can tell who NIU is, and those who have interacted with their earlier puppets before. Swell dude, can strike convo with him anytime.

Extremely well known, and as is almost always the case with pretty much all NS nations, far more on F7. Don't blame though, at least F7 you can just screw around a little.

I've had a few conversations with AN, and I can say they are more than kind & respectful, they're pretty 'cool' too, I will add That being said, I am certain they are more than well known throughout many areas, but especially F7, as they spend the most time there.

participation in topics is ubiquitous, and this is something you'll be glad about as you'll very quickly come to find yourself charmed, entertained and in pleasant company when interacting with and simply observing their conduct. They're very likeable, only furthering how much they stick out in your mind. Oh yeah, and if you don't know them for a particular habit yet, they love to call everyone and everything a 'mate'. Not that I don't appreciate it, or subtly enjoy it or anything. Because I do.

Finally, I get to do The Front Range. Maybe I've done you before, once? I'm not sure. (Apologies for my memory.) Nevertheless, I've interacted with them quite a few times, and can safely say, they are very respectful, and one of the kinder people I've met on NationStates.

They're very well known on F7, and for great reason too. I haven't seen them for quite some time unfortunately, but I'm more than happy to be seeing them again now. So whether its my own ignorance, or you're just now returning to NationStates, welcome back friend! I hope you stay with us. ☐

Ninja'd. \*Sigh.\* (Not out of annoyance, mind, Zoigai.)

Ah, New Zoigai. I haven't personally interacted with them that much, but it is safe to say they are quite well known throughout General and F7, and I'm positive they have a fair enough reputation, after all, they seem like a fine enough fellow to me! ☐
