**AN:** For FPTP it really depends which two parties inevitably end up being the two dominant parties in the district. Simplistically, I'll assume the two major parties that emerge under FPTP are the Social Democratic Party and the Progressive Conservative Party (since they seem to be the two largest parties), so I'd vote for the Progressive Conservative Party. Under PR, I'd either vote for the Progressive Conservative Party or the Liberal Democratic Party.

**BN:** If you choose a party with factions (i.e. Liberal, SDP, or National), perhaps also say what faction you would most align with/vote for.

*If men were angels, no government would be necessary. If angels were to govern men, neither external nor internal controls on government would be necessary. In framing a government which is to be administered by men over men, the great difficulty lies in this: you must first enable the government to control the governed; and the next place, oblige it to control itself.*

"I'm afraid that I was unable to find information about your nation's political parties beyond their names, so I don't have much to make a decision on. Without any other information, though, I'll go ahead and say that were I Zavianan, I'd cast my ballot for the Socialists. I am a member of the Marxist Party of Baizou, after all, and Representative Meikawa would be pleased to hear I voted Socialist, even if only hypothetically, and for a different country."

BN: See link in signature for Baizou's political parties. Bear in mind that some parties' names belie their actual platforms.

I don't agree with the Self Defence Party's green or paternalistic conservative members, so I think I might vote for the Civic National Party instead. I may vote for the Native Rights Party if they provide a more right-wing candidate.

The Independent Bloc has a useful purpose and I support their cause, though I also may find myself voting for the National Welfare Party if the independents don't represent my views enough.

Please vote for a party in the House of Delegates and in the National Assembly.

"Ah, what a wonderful diversity of parties! And a bicameral legislature with different parties? Very interesting. How about I give my hypothetical ballot for the House of Delegates while my colleague, Ambassador Mizushima, speaks for the National Assembly?"

"Were I a citizen of the Confederation, my vote would go to the Federal Progressive Party. Social democracy is my bread and butter as a member of Baizou's Labor. And while the Hiawatha Coalition's 'big tent' does attract my sympathy, as it reminds me of the Grand Coalition that nominated me to the premiership, I think for once it might be a little too big tent. And cultivating equality for everyone—what more could I want from a party?"

Ambassador [Mizushima Miya](#)

"I will cast my hypothetical Confederation ballot for the Green Party. I am not myself a Green in Baizou, but environmental mindfulness is certainly a pressing issue. And I can't help but be amused and a little intrigued by this apparently 'unexpected socialism' It goes to show that everything is better when you nationalize industry."
