Moralistic Democracy

When I look at the flag, I get reminded of the monarchy/theocracy that controlled nations such as Tibet, Nepal, and Bhutan. The colours seem like they would be of a monarchist state and the tiger + sun imagery evokes that of some Bhuddist nation, so I'll go with Bhuddist Theocracy.

The United Territories Of The Commonwealth

The UTC is a federal democratic republic located in the pre-region of New England. After the defeat of the Institute and the Brotherhood Of Steel, the Minutemen (and to a lesser extent, the Railroad) created a democratic nation with the Sole Survivor as their leader. The nation is economically regarded liberal and socially regarded conservative.

An extremely paternalistic welfare state with no armed or police forces or prisons, with rampant crime and frequent foreign raids into rather undefended territory.
