Ithallians are the definition of unconquerable. They are bound by a brotherhood that can only be forged in a war, for Ithallians, all of them, know the cost of freedom. As long as you respect them and are faithful in your dealings with them, Ithallians will treat you like a member of that family. If not...they don't tend to leave survivors...

Parliamentary democracy in a constitutional monarchy. Local authorities have a lot of devolved powers, but the country is not federal. Celts are the majority and WASPy people are a substantial minority. So it's like the UK, but with much stronger local government and Celtic-WASPy instead of WASPy-Celtic.
